

ASSOCIATE IN ARTS BUSINESS ADMINISTRATION

DEGREE OBJECTIVE

The Associate of Arts in Business Administration major prepares graduates with the major prep requirements needed to pursue a bachelor's degree in Business Administration and Management at most universities. Placing into college level math or completing Math C030 with "C" or better are needed in order to complete major core requirements. Courses encourage critical thinking and problem solving. Students will develop teamwork and leadership skills, as well as an ability to motivate people and communicate effectively.

Note: If your academic goal does not include a bachelor's degree, please consider our Associate of Science in Business Administration.
