

**CERTIFICATE OF ACHIEVEMENT COMPUTER NETWORKING: MICROSOFT**

**DEGREE OBJECTIVE**

The Computer Networking: Microsoft program will give the student a solid background in the field of Computer Networking. The focus on Microsoft will provide the student with some of the basic skills needed for an entry-level career in various Networking fields. The courses provide an overview of the entire field of Computer Networking.

**CERTIFICATES OF ACHIEVEMENT**

Whether you are looking to update your skills, change careers, or begin a career while completing your degree, Coastline's Certificate Programs are designed to prepare individuals to enter a particular field of employment or to provide enhanced training to those already employed.

**CERTIFICATE TO DEGREE COMPLETION**

Students that complete this Certificate of Achievement may work towards an Associate in Arts Degree.

**SUMMARY OF REQUIREMENTS**

- 50% of the certificate program must be completed at Coastline to satisfy residency requirements.
- All courses must be completed with a grade of 'C' or higher.

**GENERAL INFORMATION**

- Courses available online may not be offered every session. Please refer to our [online Class Schedule](#) for current course offerings. Courses not offered online may be taken at other regionally accredited institutions and/or may be satisfied through military training and experience.
- Check with your counselor regarding credit for military training and/or experiential learning through non-traditional coursework.
