GENERAL INFO

Need to complete your undergrad requirements in a hurry so you can transfer to a 4-year university? Coastline's newly revamped STAR Programs are the answer. With majors in History, Psychology, and Business Administration, you're guaranteed to be able to enroll in all of the classes you need to transfer within 3.5 semesters.

Choose YOUR program

STAR BUSINESS

Your Associate's degree, combined with upper-level study in Business, can lead to careers in Business Administration, Human Resource Management, Sales, Marketing, e-Commerce, Operations Management, and more.[†] This program includes 3.5 semesters of courses, and you can start in the spring or fall.

STAR PSYCHOLOGY

Your Associate's degree, combined with upper-level study in Psychology, can lead to careers in Clinical Psychology, School Psychology, Early Childhood Development, Substance Abuse Counseling, Health Care, Education, or other fields that have a tremendous impact on others.[†] This program includes 3.5 semesters of courses, and you can start in the spring or fall.

STAR HISTORY

Your Associate's degree, combined with upper-level study in History, can lead to careers such as an Educator, Researcher, Communicator, or Advocate. Careers include teaching, working for a museum or historical organization, and being an archivist or librarian.[†] This program includes 3.5 semesters of courses, and you can start in the spring or fall.

[†]Note: Additional training may be required for these careers.
