Name: _____

Student ID: _____

Phone Number: _____

Acknowledgment:

I understand that college policy requires registration fee payment be made by the fee payment deadline each session. Due to financial difficulty, I am requesting a deferral of my registration fees and understand the following:

- My credit card will only be charged if my intended form of payment has not been received by Coastline College Military Programs by the first Friday of classes.
- Coastline College will issue a refund if an alternate form of payment, including tuition assistance, is submitted after the credit card has been charged.
- I am obligated to pay this amount if I remain enrolled after the drop with refund deadline (the first Friday of class), regardless of whether I complete the class.
- It is my responsibility to drop or withdraw from a course according to program requirements and deadlines.
- Failure to pay my fees by the deadline stated will result in: A hold being placed on my student account, inability to order official copies of my transcripts, inability to register in future classes, and the balance of my student account will be forwarded to an outside collections agency.

Intended form of payment:

- Financial Aid
- Tuition Assistance
- MyCAA
