

Coastline Community College
Associate in Arts in Computer Networking: Cisco
Rating: IT

DEGREE OBJECTIVE—

The Computer Networking major prepares an individual to become a Computer Networking Specialist in Cisco. Coastline's Networking courses are designed to provide students with the knowledge and hands-on experience required by the Cisco Certified Network Administration (CCNA) certificate. Military IT specialist such as Navy ITs and Army MOS 25Bs will have satisfied most of the core requirements of the major leaving only the program elective courses.

Courses denoted in **bold** are available online through Coastline's Military Program. Other course requirements may be completed at another regionally accredited institution or by ACE recommended credit.
