2016 VRC Memorial Day Barbecue

We Salute Our Sponsors

We extend our Thanks to the following ongoing VRC Contributors and Supporters: Newport Harbor Exchange Club, Sam’s Club/Wal-Mart Foundation, and Coastline Students, Faculty, Staff, and Administrators.

The Coastline Community College Veterans Resource Centers (VRC) provide Coastline Student and Community Veterans with informative and supportive environments where they may explore the comprehensive array of resources available to them. The Centers provide Veterans with transition assistance, including personal assistance, educational guidance, and professional resource networking and support services. Coastline’s main Veterans Resource Center is located in the administration building at 11460 Warner Avenue in Fountain Valley, CA. After determining that additional resources were needed to adequately serve all Veterans seeking assistance, Coastline opened a second VRC in 2014 on our Newport Beach campus at 1515 Monrovia Avenue, Newport Beach, CA. Annually, our VRC staff and volunteers communicate, assist, and support almost 2,500 inquiries or requests for assistance and guidance.
